Self Arrival

To speed up the check-in process at Callen-Lorde, patients can use Self Arrival to confirm when they are on-site and begin the precheck-in process on their phones. Follow the instructions below to get started:

1. Download the MyChart app.

2. Allow location sharing on the app “all of the time” and turn on notifications.
3. When you close to our office, you will get a notification to sign into MyChart and to let us know you are here.

4. Next, complete precheck-in and follow the app directions to fill in demographic information, medications, allergies, health issues, questionnaire, and insurance information. Let the front desk know once you've signed in and completed all items!
