## ABOUT US

Callen-Lorde Community Health Center is the global leader in LGBTQ+ health care. Since the days of Stonewall, we have been transforming lives in LGBTQ+ communities through excellent comprehensive care, provided free of judgment and regardless of ability to pay. In addition, we are continuously pioneering research, advocacy and education to drive positive change around the world, because we believe healthcare is a human right.

Our partnerships allow us to improve access to quality, life-saving health care for LGBTQ+ communities now and for years to come.
