CalLEN-LORDE ANNUAL EVENTS

Rainbow Run

Saturday, May 4, 2024

Rainbow Run (RR) is a 5K or 10K fun run or leisure walk promoting health and wellness while supporting our lifesaving work. RR will be in person on May 4 at Hudson River Park or virtually, wherever you are, anytime between May 4 and 12. Participants also receive branded incentives, such as t-shirts and caps, when they reach fundraising milestones.

Corporate sponsorships and peer-to-peer fundraising are our focus. We also host a pep rally for which we need a venue and some items for a raffle. We also need water and snack donations for the runners.

HAMPTONS TEA DANCE

Rooted in the tradition of queer tea dances, the Hampton's Tea Dance (HTD) is a premier LGBTQ+ event in the Hamptons. This outdoor party primarily raises funds through tickets. Join us for a day on the lawn with fun drinks, great music, and even better company.

HTD is our only annual event outside of NYC, which presents unique opportunities and hurdles. The audience tends to be folks who live in the area. We are cultivating relationships with local businesses and organizers and encouraging attendees to engage with us regularly outside this event. We are also open to sponsored activations or donations for auction.

THURSDAY, NOVEMBER 2, 2023 | PIER SIXTY, MANHATTAN

23RD ANNUAL COMMUNITY HEALTH AWARDS EMPOWERING HEALTH. ENRICHING LIVES.

Thursday, November 7, 2024

The Community Health Awards (CHA) will be held at Pier Sixty and honors leaders, trailblazers, and visionaries in LGBTQ+ health and wellness whose shoulders we stand on while celebrating Callen-Lorde's critical role in our communities.

CHA is our largest event every year—both in attendance and fundraising. We receive in-kind from brands and artists big and small for our silent auction (100+ items), and it's always helpful if they promote the event/auction on their platform. Selling tickets, soliciting corporate sponsorship, and engaging special guests are also priorities.
